SELF ASSEMBLY

EDG-49 EXPERT SERIES

## SELF ASSEMBLY RESISTIVE SAFETY EDGE COMPLETE KITS

KIT CONTENTS

- Rubber contact profile
- Aluminium mounting rail
- End caps
- Connection cables
- Full installation and resizing instructions

EDG-49 KIT RANGE

Kit Code	Description
806ED-0130	EDGH15R1 **49mm x 45mm** profile. Complete resizeable resistive safety edge kit inc. 36mm aluminium mounting rail for safety edges up to **1.5m** maximum length.
806ED-0131	EDGH17R1 **49mm x 45mm** profile. Complete resizeable resistive safety edge kit inc. 36mm aluminium mounting rail for safety edges up to **1.7m** maximum length.
806ED-0132	EDGH20R1 **49mm x 45mm** profile. Complete resizeable resistive safety edge kit inc. 36mm aluminium mounting rail for safety edges up to **2m** maximum length.
806ED-0133	EDGH25R1 **49mm x 45mm** profile. Complete resizeable resistive safety edge kit inc. 36mm aluminium mounting rail for safety edges up to **2.5m** maximum length.
